### Introducing the 2019 Party conference Package from Dods Monitoring

*Launching August 19th - October 31st*

Dods' coverage of the 2019 Party Conferences and surrounding events is your essential solution to ensuring you receive the insights and analysis you need during this vital period of party politics that will shape the UK's future policy landscape.

With expert consultants and researchers on the ground reporting daily, we cut through the noise and sheer volume of information to provide contextual analysis, stakeholder reactions and highlight key developments.

### What's Included?

- Coverage of the **Conservative, Labour, SNP and Lib Dem** party conferences
- **Daily Alerts:** Including morning and evening briefings - providing key headlines, policy discussions and the next day's agenda
- **Policy roundups:** highlighting emerging trends and developments in your key focus areas
- **And more!**
